

BlackBerry 7100g Battery Replacement

Written By: Adriel Salinas

INTRODUCTION

This guide will show you how to remove the battery from your BlackBerry 7100g.

Step 1 — Battery

- Turn over your BlackBerry 7100g so that the back cover is facing up.
- Locate the battery cover release button near the bottom of the back panel.

Step 2

- Push down on the release button with one thumb.
- Slide the battery cover off with the other thumb.

Step 3

- Remove the battery from the battery housing by flipping up the top of the battery.

To reassemble your device, follow these instructions in reverse order.
